

Press release on Tobias Daniel

Tobias Daniel is the new Chief Sales Officer and member of the Executive Board of the SCHNEEBERGER Group.

As part of the SCHNEEBERGER Group's further organizational development, Mr. Tobias Daniel is being appointed to the Executive Board of the Group.

In the person of Mr. Daniel, the SCHNEEBERGER Group is bringing on board an expert with many years of sales & marketing experience, in order to further expand its strong customer focus.

The graduate electrical engineer started his career at Siemens Drives & Automation Division, where he held various management positions.

He then set up the Sales & Marketing Division globally as VP of Sales & Marketing at Comau, a Turin-based robotics and industrial automation company.

Tobias Daniel most recently held the position of Global Sales Manager for the entire new machine portfolio at KraussMaffei Group in Germany.

"With this organizational measure, we want to further advance our expansion strategy and align our achieved growth in an organisationally and entrepreneurially focused manner. I am delighted that Tobias Daniel has given us an experienced and committed person for this task," says Stefan Hantke, CEO of the SCHNEEBERGER Group.

Tobias Daniel will be part of the Group Executive Team from 01/01/2023.

We are pleased to welcome Mr. Daniel to the Group Executive Management Team and wish him every success in his work.

The SCHNEEBERGER Group

SCHNEEBERGER® operates worldwide as an established OEM supplier in a wide variety of sectors – from the machine tooling, solar, semiconductor, and electrical industries to the medical technology sector and much more. The company's product and manufacturing program includes linear bearings and profiled linear guideways as well as measuring systems, gear racks, slides, positioning systems, and mineral casting.
